Let's make Europe together 2023

- EUROPE DIRECT centres in Clermont-Ferrand (France), Cuneo (Italy) and Karlsruhe (Germany)
- 30 young people (10 from each country) to learn more about the EU and discuss current European topics
- notably how to combat the climate crisis through the European Green Deal and how to prepare for the upcoming elections of the European parliament

Highlights:

- hikes in the Natura 2000 areas of the Massif Central
- simulation of the European Parliament in the city hall of Clermont-Ferrand
- exchange with MEPS from France, Germany and Italy

Preparations:

- short introductory workshop for each group on the functioning of the EU
- regular meetings of the organizing committee to plan the students' time in France
- finding partners and speakers (e.g. MEPs)
- the planning of the journey to France (e.g. train tickets)

Initiate a cross coarder project:

- you need to know what you expect from your possible partners and how much work there might be for all involved
- Describe the projekt to the possible partners as detailed as possible
- How much will it be?
- Who can pay and how will the costs be shared?

→ all needs to be outlined before you contact possible partners
